(The finished left wall)

We have finished the perimeter wall. (See pictures.) **Total cost of doing the wall was \$3471.16.** Our next project is to get the wall across the back of the property. You may wonder why we concern ourselves with the perimeter walls first. Not only are they for security from robberies, but also to prevent squatters from coming in. In Peru, it is so common for someone to "set up house" on another's land. Once they have their "house" there, it is very difficult to get rid of them, although their house may be a plywood or cardboard structures. The cost to do the back wall will be approximately **\$2500.00.** **At this time, we don't have any thing toward that project. SO PRAY FOR THIS NEED.**

We faithfully continue our evangelistic efforts. A young lady, 15 years old is showing interest in the Word. Her name is Jannette. Her parents are friendly and open. Please pray for her and her parents that this might be an open door to gain them for the Lord. We long to see more souls saved and brethren added to the work. I have to remind myself that I am not the Lord of the Harvest. We are the servants. Certainly we trust the results to our heavenly Father, but at the same time pray to never lose our compassion for lost and dying souls. Most of our members are exhibiting spiritual growth, which is a tremendous blessing. **KEEP US AND THE BRETHERN IN YOUR PRAYERS**

A YOUNG MAN GOING OUT TO START ANOTHER WORK from our mission! **Daniel Matsuda** who was in charge of the work in our absence has continually been seeking the Lord's will for his life. A few weeks ago, he publicly made known to the congregation that he feels the Lord is calling him to start a work in Chiclayo, a city about 12 hours north of us. It is a major city here in Peru. **PRAY FOR DANIEL, KATHY AND LI'L ANDY AS THEY GO.**

THEY WILL GO UNDER THE AUTHORITY OF SOUTHSIDE BAPTIST CHURCH since we are not yet organized as a church. **Pray for their needs.** They have found a small piece of property in the area that they wish to begin. It is a very good price of about \$2500 for 120 sq meters. There is a make-shift

building there where they could at least begin to have services. **It is wise to acquire the property first so they can be a part of the community from the beginning and don't have to keep moving.** **PRAY ALSO FOR THIS NEED.** If you want to be a part of their support, **please contact me.**

DUE TO THE DEVALUATION OF THE DOLLAR we have really began to feel the economic crunch. **WOULD YOU PRAY THAT THE LORD MIGHT MOVE UPON HEARTS OF A FEW MORE CHURCHES TO HELP IN OUR SUPPORT. UNFORTUNATELY, WE HAVE BEEN IN THE RED SINCE JUNE. I DO WISH TO PRAISE THE LORD FOR LITTLE SEWELL BAPTIST CHURCH** who has begun supporting us in October. **Another need that we want to share is a copier. The cost will be \$1500.** If anyone is led to be a part of this, please designate (copier).

Thank you for your love and faithfulness in supporting the work here in Peru

Your co-laborers,

Rodney and Rebekah Spears
